

## DIY Forky from Toy Story (3-12yrs)

### Activity Bag

#### Materials:

- 1 Spork
- 2 small googly eyes
- 1 small rubber band or string
- Playdough
- Scissors
- 1 red pipe cleaner
- 1 popsicle stick
- Markers
- Liquid Glue

#### Instructions:

Step 1. Cut small piece of red pipe cleaner for eyebrow -- glue to top of round side of spork

Step 2. Glue 2 googly eyes under red eyebrow

Step 3. Glue string in shape of mouth under eyes

Step 4. Lay full-length red pipe cleaner on flat surface and place spork in center

Step 5. Twist each arm around spork twice to secure to spork

Step 6. Bend tips of pipecleaners 3 times to make hands

Step 7. Break popsicle stick in half and draw rainbow on one with markers

Step 8. Mold play dough into ball and stick each popsicle stick in on bottom sideways for feet to hold Forky up

Step 9. Place Spork into top of play dough ball

Step 10. Play with Forky and take him on many adventures!
